BlackBerry App World Newsletter

July 2012

In the ninth month of the Islamic calendar, Muslims are expected to put more effort into following the teachings of Islam. To help practice self-discipline, sacrifice and empathy, BlackBerry Middle East has dedicated its July issue to the Muslim community.

This month features valuable Blackberry smartphone and PlayBook apps in English and Arabic during the blessed month of fasting.

What's Inside?

Ramadan BlackBerry apps

Call to Pray (English & Arabic)

Call to Pray is full of smart features required for all Muslims. The app's theme has a very beautiful Islamic look and feel that allows users to change based on their style. Call to Pray includes four features including prayer times, Qibla direction, Azakr and Hijri calendar.

Ramadan – Themes from Risto Mobile (English)

Risto Themes presents the Ramadan Kareem theme celebrating the Muslim holy month of fasting with your BlackBerry® device. Give your device a makeover away from the default themes and wow your friends and impress your colleagues.

Sahih Bukhari (Arabic)

Sahih Bukhari helps users learn about any hadith by word or by part of the word. With this app you can read in Arabic prophet Mohamed's Hadiths or listen to the narration by Sahih Bukhari. Listen, share and add favorite hadiths with friends and family via Facebook, SMS or email download it and enjoy!

Cards (English & Arabic)

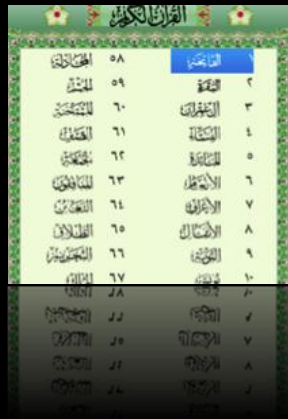

Cards is a useful Ramadan app that suits various occasions including Al Fitr, Ramadan, etc. With this greeting card app users can add their own note or signature on the card and share the greeting cards via Facebook, SMS, MMS and BBM.

Ramadan BlackBerry apps

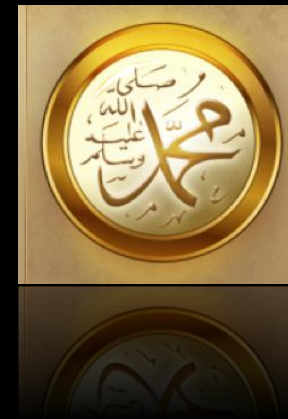

Al-Quran (Arabic)

Al-Quran displays the Holy text with Othmanic font and is the first Quran application with full text without extra download.

Muhammad (Arabic)

Muhammad has lessons learned from Prophet Muhammad's life and his way to educate his companions. The application teaches you how to follow his way – all application content is searchable and allow you to add your favorites to a list or share it with your friends and family via Facebook, SMS or email.

Prayer Salat Times (Arabic)

Prayer Salat Times is daily Muslim prayer time application based on a GPS or city selection. You can get Salat times regardless of your exact location.

Prayer Organizer (English)

Prayer Organizer is the perfect way to track all the prayer requests and allows users to organize prayer requests and personal requests in the app.

Ramadan BlackBerry PlayBook apps

Mecca (Arabic)

BLACKBERRY® PLAYBOOK™ ONLY

Mecca prayer helps users find Mecca thanks to its digital GPS – the app functions like a compass and allows users to make a prayer in the right direction. In addition, it allows users to perform the five daily prayer and comes with verses of the Quran.

Arabic Food (Arabic)

BLACKBERRY® PLAYBOOK™ ONLY

Browse a set of the most delicious Arabic Food Recipes, and never wonder about where to eat, just by browsing the app's Arabic food restaurants

Arabic Writing (Arabic)

BLACKBERRY® PLAYBOOK™ ONLY

An amazing collection of stories for children aged from one to ten years old. Kids Stories allows parents and their children to read, listen to audio and view picture stories, giving them the opportunity to bond during these early stages of psychological and mental development.

Konooz (Arabic)

BLACKBERRY® PLAYBOOK™ ONLY

Develop your Islamic culture, enrich your Sports information and deepen your knowledge of Literature in an interactive way. Konooz allows you to test your general knowledge by playing an interactive and entertaining game of quiz, with up to four difficulty levels.
